APRIL 2021

It's the time of year when we think about two things, wrapping up Membership and Election of officers. First membership, we need sixty six members to renew or new members to join. We need help on membership. Election of officers is in May. We need officers to run this Legion. Please consider running for an office. All jobs are open. We need some new and fresh ideas to help guide us into these new times ahead of us. In other words we need futuristic thinking. We need a FULL slate of officers.

Been hearing tremendous reviews on our kitchen. I think I have eaten everything on the menu. It was excellent.

Please read and tell your fellow members about our new monthly newsletter and how it is easy to get. Go to the Legions website or pick it up at the post.

Please remember we are here to help our fellow veterans. Reach out to each others with phone calls or any other kind of communications. Just check on each other to see how they are doing. You will be very surprised how well it makes you feel.

Everyone stay safe. God bless you and God bless our American Legion and our Country.

From Post 979 Riders

Fellow Riders,

It has been real nice to see some folks getting out to the Wednesday Night Raffles again. We have very good food, once again, and everybody is in good spirits. We plan to start some raffles of our own soon, so be on the look-out. We have 2 large events planned for July, where we will be doing breakfast, so if interested in helping out, please contact myself, or come to our next meeting on April 8th, at 6PM to see what we have going on. Keep your eyes open and watch for fellow bikers getting out and blowing off the winter dust. Keep safe, and I hope to see you soon.
