APRIL 2022

Greetings Legionnaires, Ladies Auxiliary, SAL & Legion Riders,

Winter is officially over and so is the MLB lockout. That means that the Cardinals can start beating up on the Cubs once again. It also means that we are back to cookouts and yard work. If you have any ideas for the beautification of our landscaping please bring it forward or even better yet, volunteer your time. Also, we are always looking to expand our membership so make sure that you are getting the word out to family and friends. We have a lot going on in April as well as new operating hours on the weekends so make sure you check the calendar for Jared's specials and different social events.

Military Holiday of the Month: Gold Star Spouses Day 5 April

Joke of the month: Three fans were complaining about the sorry state of the Chicago Cubs. "I blame the general manager," said the first fan, Jack. "If he signed better players, we'd be a great team." "I blame the players," said Thom, the second fan. "If they made more of an effort, we'd score more runs." "I blame my parents," said the third (Alex). "If I'd been born in St Louis, I'd be supporting a winning team."

Things are slowly progressing back to normal for our unit.

Post 979 Riders

Spring is now officially here, and the bikes are coming out of winter hibernation. Please keep your eyes out for our fellow riders. With gas prices going to skyrocketing prices, I expect to see many more bikes out on our roads.

Congrats to Kim Cavanaugh on winning our TX-22 raffle, and by the time this hits print, we will have drawn our .45 raffle, and somebody too, will be a happy winner. We will soon start another.

Our next meeting will be Thursday, April 14th, at 6:00 pm on the Hall side, so come out and see what we have in plans for the upcoming months. Until then, ride safe, and I hope to see you all soon.

Director, 979 AL Riders
