## **JANUARY / FEBRUARY 2021**

It's really great we are open and our post is in operation. The machines are in operation. All other services are operating and ready to go. Food will be served in February on Tuesdays and Saturdays.

That being said we the Legion have had a terrible year, just like everyone else. We will come out of this together.

Just so everyone understands every month that we were shut down our bills still had to be paid. We were shut down seven months of the year and that means that ten thousand dollars a month did not go into our bank account for our bills.

That said I think we all realize the shape that all our fraternal organizations are in financially. Please support all of us. Come to our meetings. Get involved. Pay your dues. Remember our Veterans that we support. Finally that old saying "If you don't use it you will lose it". We could be very close. Please get involved... FOR GOD AND COUNTRY. As a reminder our Newsletter can also be viewed at: [limestoneamericanlegion979.com](http://limestoneamericanlegion979.com) or a copy may be picked up at the legion.

## From Post 979 Riders

### **Fellow Riders,**

Well it looks like we may be getting some freedom of movement once again. It is about time we can begin working on our 2021 mission and community assistance where needed. I hope everybody is healthy and ready to take on the new challenges this year will throw at us. We will attempt to schedule a group meeting for February 11th, at 6 pm in the hall. Just a reminder that the 2021 dues are to be collected as we started the new year. Please come join us at our meeting and see what things we have going on.

Until the next time, be safe and stay healthy.

Director, Post 979 ALR
