MARCH 2021

Things are getting a little more exciting around our post. Baseball is coming and NASCAR is here already. As I'm writing this there is at least six inches of snow on my drive, but Spring is not far away.

March 3rd we are starting our Wednesday Night Drawing. Please remember on Wednesday night only paid up members and their guests can participate. We are not open to the public.

The kitchen will be open Thursday, Friday and Saturday nights from 5:00 PM to 8:00 PM and is open to the public.

We have had a problem lately with people leaving their cars in our parking lots and not asking our permission or giving any explanation. Two have been towed and two have not. Our property is our private property. Cars are not covered by our insurance company when they are left here.

Come on out and enjoy your post. Monica is planning a lot of activities in the future.

Bob Zimbelman**

The Legion would like to take the opportunity to introduce our new kitchen owners: J & J Restaurants

They will open beginning on March 3rd.
